If Trump cancels the midterms, I pledge to do the best I can!

No Work, No School, No Shopping. Daily Protests!

A national coalition of 600 unions and community organizations (MayDayStrong.org) has come together to support a national shutdown if Trump cancels or significantly undermines the midterm elections. It may be our last chance to stop Trump's authoritarian takeover. We recognize that everyone's situation is different. Please sign the pledge below to show that you will participate in the shutdown in ways that make sense for you and your family.
